

FEEDING SAN DIEGO

Vision

A hunger-free and healthy San Diego

Mission

Connect every person facing hunger with nutritious meals by maximizing food rescue

Why It Matters

Before COVID-19, 1 in 8 people in San Diego County faced hunger, including 1 in 6 children. Now, the need has surged by 50%.

The consequences of hunger on individuals, families, and the community are devastating.

40% of all food produced is wasted, and food waste is responsible for 8% of global greenhouse gas emissions.

What We Do & Our Impact

FEED

Feeding San Diego provides more than 31.2 million meals to people facing hunger through a decentralized rescue and distribution network.

We distribute meals in partnership with more than 320 local charities, schools, faith communities, meal sites, and food pantries.

RESCUE

Feeding San Diego rescues high-quality food before it goes to waste from over 600 locations in San Diego County and over 225 farms and packing sheds throughout California. By diverting more than 27.6 million pounds of food from the landfill we saved 24,578 metric tons of CO₂ equivalent from being emitted into the atmosphere.

UNITE

Our impact is achieved through the success of our diverse food rescue and distribution network and by uniting and mobilizing 10,000 volunteers, 19,300 donors, more than 55 staff, and the community. Together, we are Feeding San Diego.

Our Initiatives

FEEDING KIDS

We serve children and youth through School Pantry, After School and Summer Meals, and Agency Partner programs.
